Ladies and Gentlemen:

The Department of Fish, Wildlife and Parks has proposed to rehab the dam and spillway on Whitetail Reservoir. An Environmental Assessment was produced, the public was given notice and the document was distributed.

No comments were received.

The Department has decided to proceed with the Whitetail Reservoir project as evaluated in the Draft Environmental Assessment. This decision was made September 27, 1996.

Thank you.

Sincerely,

Tom Hinz,  
R-6 Supervisor
